SOCR WORKSHOP 2007

Statistics Online Computational Resources
www.SOCR.ucla.edu

The 2007 SOCR continuing education workshop aims at demonstrating the functionality, utilization and assessment of the current UCLA & SOCR resources (www.SOCR.ucla.edu). This workshop will be of most value to AP teachers and college instructors of probability and statistics classes who have interests in exploring and acquiring hands on experience in novel IT-based approaches for enhancing statistics education. The workshop will provide an interactive forum for exchange of ideas and recommendations for strategies to integrate computers, modern pedagogical approaches, the Internet and new student assessment techniques in statistics education. The space is limited to 30 attendees, who will be fully supported to attend the 2007 SOCR workshop

To apply, contact: Ivo Dinov, SOCR Director dinov@stat.ucla.edu
